

PRIVACY POLICY

Information Collection and Use

The Creative Technology Group, Inc. is the sole owner of the information collected on this site. Creative Technology will not sell, share, or rent this information to others. Creative Technology may collect information from users at several different points throughout our web site.

Log Files

The Creative Technology Group, Inc. may use IP addresses to analyze trends, administer the site, track user's movement, and gather broad demographic information for aggregate user. IP addresses are not linked to personally identifiable information and will not be shared with others.

Cookies

A cookie is a piece of data stored on the user's hard drive containing information about the user. Usage of a cookie is in no way linked to any personally identifiable information while on our site. Once the user closes their browser, the cookie will terminate. By setting a cookie on our site, the user would not have to log in a password more than once, thus will save time while on our site. If a user rejects the cookie, they may still use our site but may be limited in some areas of our site.

Sharing

We will not share aggregated demographic information outside the Creative Technology Group, Inc.

Links

This Web site may contain links to other sites. Please be aware that the Creative Technology Group, Inc. is not responsible for the privacy practices of other sites. We remind our users to be aware when they leave our site, to read the privacy statements of each and every Web site that collects personally identifiable information. This privacy statement applies solely to information collected by this Web site.
